November 15, 2014 Ballot

Overview

Each November, WPLUG holds its annual business meeting to elect a new slate of five (5) candidates to the WPLUG Board of Directors. Bylaws amendments may also be included on the ballot. Because there are no proposed bylaw amendments this year, there is only one item on the ballot, which is the WPLUG Board of Directors elections.

Print out this ballot and fill it out according to the instructions below.

WPLUG Board of Directors

WPLUG uses a variant of the range voting method for its board elections. You may vote for as many candidates as you want. Candidates can receive 3, 2, 1, or 0 points from each voter, and the five candidates who receive the most points win the election.

Only candidates who have been nominated to run appear on the ballot. You may write in other candidates using the spaces marked (write-in). A more detailed explanation of WPLUG's voting system for board elections is available at http://www.wplug.org/wiki/Election_Instructions. Campaign statements provided by the candidates are available at [http://www.wplug.org/wiki/Meeting-20141115#Meet the Candidates](http://www.wplug.org/wiki/Meeting-20141115#Meet_the_Candidates).

Circle **one** number next to a candidate's name that reflects your opinion of him being elected:

- 0 - Unfavorable. He should not be on the board.
- 1 - Weakly Favorable. I have reservations about him being on the board.
- 2 - Moderately Favorable. He is probably good enough.
- 3 - Strongly Favorable. He should definitely be on the board.
